

Dr. Steve E. Watkins, Director of Applied Optics Laboratory
Missouri University of Science & Technology, Rolla, MO

Steve E. Watkins
ECE Professor

Fellow SPIE &
Sr. Mem. IEEE

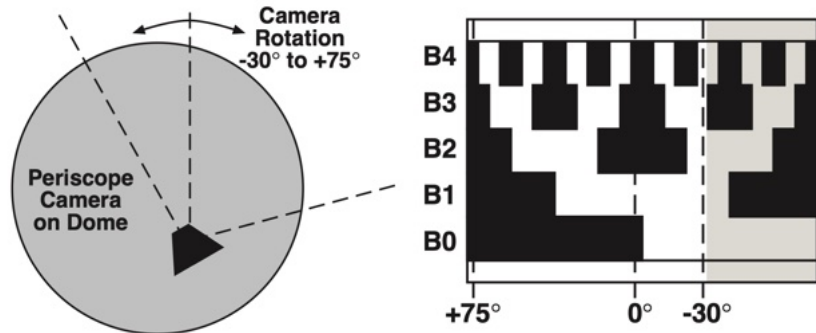

Selected Experience:

- Visiting Prof.,
USAF Academy
- IEEE-USA
Congressional Fellow
- Visiting Physicist,
USAF
- Visiting Scholar,
NTT, Japan

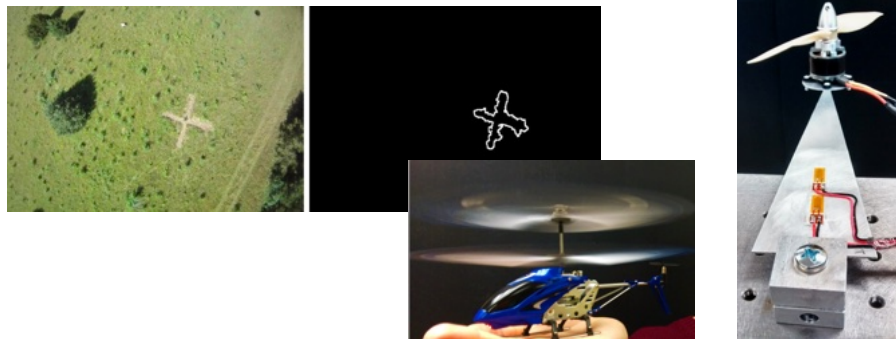

PhD – The Univ. of
Texas at Austin
MS & BS –
Missouri S&T

MISSOURI
S&T

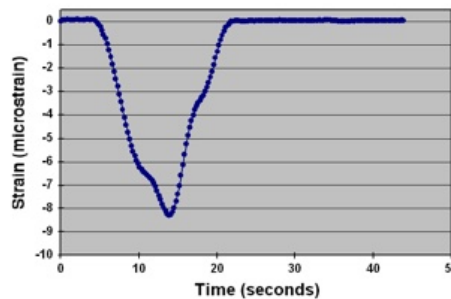

Research Interests: Sensor Instrumentation, Fiber Optics, Imaging, & Education
Teaching Topics: Optics, Optoelectronics, Semiconductors, Sensors, & Electronics

Instrumentation for Gray Scale Encoder

UAV Systems Testing & Imaging

Health Monitoring with Fiber Optic Sensors

Missouri University of Science & Technology, Department of Electrical & Computer Engineering
121 EECH, 301 West 16th Street, Rolla, Missouri 65409-0040
